Golf Cart Policy (Appendix to Bylaw No. 10-2024)
Effective August 1, 2026

Traffic Bylaw 10-2024 allows legal and safe operation of golf carts and motorized scooters within the Village of Dinsmore.

The Golf Cart Policy outlines specific rules within the Village limits, respecting SGI's updated policy on recreational vehicles (that includes golf carts).

1. The driver of the golf cart must be the holder of a valid Class 7 (Learner) or higher driver's licence.
2. The owner is required to carry a minimum of \$200,000 in liability insurance for damages caused by the golf cart and provide proof of insurance at the request of a peace officer.
3. Golf carts must be equipped as defined in *The Registration Exemption and Reciprocity Regulations* (at least three wheels, weight limit of 590 kilograms, not counting riders and clubs).
4. Golf carts will be required to display a slow-moving vehicle sign (already required by legislation for vehicles travelling less than 40 km/h on the roadway).
5. Golf carts can only be operated during daylight hours (half an hour before sunrise to half an hour after sunset) on roadways.
6. Golf carts cannot be capable of operating at a speed of more than 24 km/h on level ground.
7. Golf carts are not allowed on sidewalks or a lane designated for vehicles, but rather as close to the curb as safely possible.
8. Golf carts cannot operate on any roadway with a posted speed over 50 km/h.
9. Golf carts must not be operated on any provincial highway, other than to cross one.
10. Golf carts must only be operated by a sober driver. You can be charged with impaired driving if you are operating a golf cart under the influence of alcohol or drugs.
